Ceramic Industry 1986 Editorial Index

Abrasive materials
Permanently reduced markets forecast for abrasives industry ..... Apr, 90

Ceramic materials, advanced
Electronic ceramics: the next generation emerges ..... Feb, 30
GTE Wesgo: breaking the technical barrier with Si_3N_4 ..... Jul, 30
High-purity alumina made in the U.S.A. ..... May, 22
Materials for advanced ceramics ..... Jan, 33
New ceramic material gives champion performance .... Oct, 34
New material advances ceramic applications ..... Sep, 22
Sandia scientists develop inexpensive glass ceramic .. Oct, 24
'Soft tooling' reduces prototype development time ..... Apr, 86

Ceramic materials, traditional
Ceramic molds allow casting of large components ..... Apr, 62
Ceramic tile scores with the quality conscious ..... Dec, 38
Coating system helps Ball maintain quality ..... Apr, 46
Consumers drive tile's upward trend ..... Jun, 32
Firing technology: a coming of age ..... Jul, 44
How to select tumble blenders and dryers ..... May, 30
International expos set new records ..... Apr, 66
Materials for traditional ceramics ..... Jan, 67
Permanently reduced markets forecast for abrasives industry ..... Apr, 90
TCA moves to resolve standards confusion ..... Apr, 52
'Worker right to know' — hazard communication in the workplace ..... May, 26

Ceramic technology, advanced
Advanced materials: the supplier connection ..... Jan, 28
CI exclusive report: new materials in Japan ..... Dec, 36
Engineering a ceramic future for the auto industry ..... Oct, 42
How to enter the advanced ceramics business ..... Apr, 38
Structural ceramics require a national committment ..... Mar, 20
U.S. continues strong surge in ceramic R&D ..... Sep, 52

Ceramics in design
Advertising specialties offer trangible potential ..... Jul, 38
Changing design scene ..... Sep, 49
Decorators emphasize quality in design ..... Sep, 47
Design dynamics '86 ..... Sep, 36
Market challenge: individuality with style ..... Sep, 50
Tabletops challenge design ... Sep, 45

Cost/price trends
Ceramic material price index ..... Jan, 23

Economic outlook
Stability, the economic watchword in '86-87 ..... Jun, 24

Glass containers
Coating system helps Ball maintain quality ..... Apr, 46

Glass technology
Flat glass market reflects construction, auto trends ..... Mar, 26
Glass furnace bottom design doubles production ..... Feb, 34

Kilns, furnaces & dryers
Firing technology: a coming of age ..... Jul, 44
Glass furnace bottom design doubles production ..... Feb, 34
Kiln revamp saves fuel, cuts cycle time ..... Feb, 37
Low-mass refractory increases tunnel kiln efficiency ..... Feb, 38

Market statistics
Giants in ceramics/USA, 4th annual ..... Aug, 24
International giants, 4th annual ..... Dec, 27
Japanese revise market projections ..... Aug, 14

Plant and process equipment
How to select tumble blenders and dryers ..... May, 30
Product showcase '87 ..... Nov, 18
What's new in powder technology ..... May, 32

Quality control technology/R&D
Laboratory safeguards $100 million in Federal assets ..... Apr, 56
TCA moves to resolve standards confusion ..... Apr, 52

Refractories
Firing technology: a coming of age ..... Jul, 44
Glass furnace bottom design doubles production ..... Feb, 34
Kiln revamp saves fuel, cuts cycle time ..... Feb, 37
Low-mass refractory increases tunnel kiln efficiency ..... Feb, 38

Safety
Common sense training key to OSHA compliance ..... Oct, 38

Tile, ceramic
Ceramic tile scores with the quality conscious ..... Dec, 38
Consumers drive tile's upward trend ..... Jun, 32

Whiteware
How to save money on gold usage ..... Mar, 32

Authors
Appelt, Susan ..... Mar, 26
Baatz, Elizabeth ..... Jun, 24
Baker, Kermit ..... Jun, 24
Brown, Robert L. ..... Sep, 47
Calderwood, James A. ..... May, 26
Dowell, Michael B. ..... Dec, 36
Gobelik, Peter ..... Sep, 45
Howe, Carol Sandberg ..... Oct 34, Oct, 42
Mohr, William C. ..... Feb, 38
Morgan, Eben ..... Sep, 45
Seliger, Charles ..... Sep, 49
Sen, Judith P. ..... Apr, 38
Schott, Jeffrey H. ..... Jun, 33
Shellenbarger, Richard ..... Sep, 45
Sweitzer, George ..... May, 30
Tailby, Roland V. ..... Apr, 52
Tomchin, Julian ..... Sep, 50
Tway, Gene ..... Sep, 47
Tway, Patricia ..... Mar, 32, Oct, 38
Wachtman, John B. Jr. ..... June, 26, Sep, 52
Wilk, Richard F. ..... Feb, 38

Plants
Arco Chemical Co. ..... May, 22
ARi Industries ..... Feb, 37
Ball Corp. ..... Apr, 46
GTE Wesgo ..... Jul, 30
Spectrum Glass Co. ..... Feb, 34
Woodmere China ..... Oct, 38
